

How To:

Change/Edit A Book's Cover

Find a misspelled word? Want to change the image on the front cover or change the author's bio picture? No problem, we make it easy to change/edit your cover at any time.

1. **Login** to TheBookPatch.com, button located at the top right (*If you are not a member, click **Create Account** button and follow the steps to create one.- Membership is **FREE***). You will be redirected to your My Patch page.
2. Click the **Published Projects** tab.

3. Scroll down to find your book in the Published Completed section.
4. Click on the book cover image.

5. You will be directed to the first step of creating a cover to step through the process.
 - a. Make any changes during the way and click the **Next Step >** button to continue.
 - b. Only change the items needed, the system remembers everything you have already uploaded and typed in and will use that data if you don't change them.

6. Review your cover on the last step to make sure it looks fine.
 - a. If the cover looks fine, click the **Create Cover** button to submit your changes. You will be redirected to your books detail page in the book store where you will see your new price displayed.
 - b. If the cover needs some changes, click one of the three buttons below the cover image to go back and make any changes needed.

7. You will be directed to your books detail page in the book store where you can verify that the price has been changed. *Please note that if you chose not to sell your book to the general public no one else will see this page but you.*
