

How To:

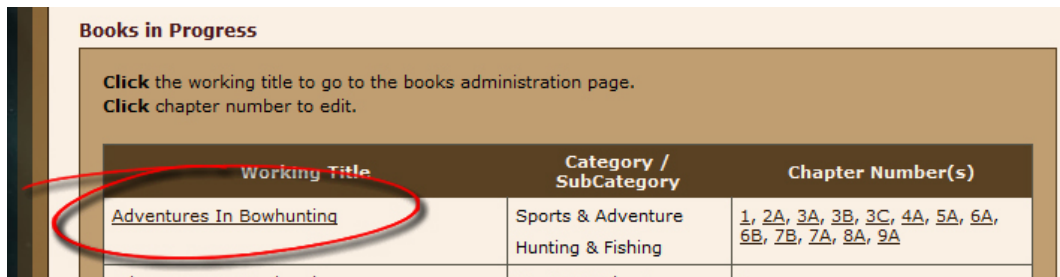

Edit Book Settings

After you initially created your book you may want to make a change to one or more of the settings. Items such as working title, member access, allowing others to join your book, number of scenarios, privacy options, add/edit the blurb, add/edit the premise, add/edit the teaser, and upload an avatar to represent your book can be done on the book's administration page.

1. **Login** to TheBookPatch.com, button located at the top right (*If you are not a member, click **Create Account** button and follow the steps to create one.- Membership is **FREE***). You will be redirected to your My Patch page.
2. Click the **My Bookshelf** tab

3. Under the Books In Progress section, click on the **book title** to go to that books administration page

4. On the Book Administration page, click on the tab that represents what you would like to do.

5. Click the **Save** button on each tab after making changes.
