

How To:

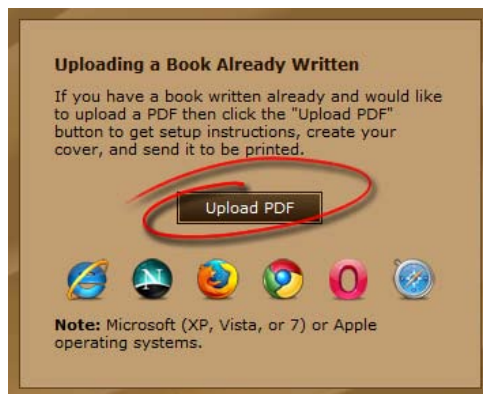

Print A Book From A PDF

TheBookPatch.com offers the ability to print a book from a PDF that you can upload. After uploading the PDF of your book you will create a cover using one of your three cover wizards.

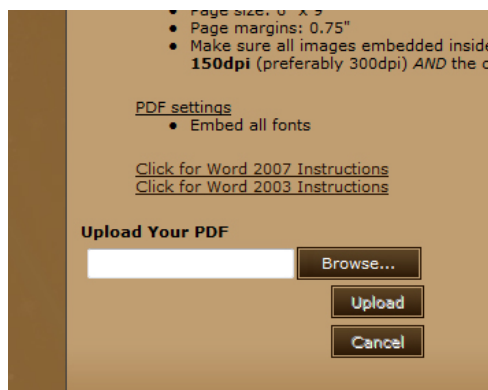

1. **Login** to TheBookPatch.com, button located at the top right (*If you are not a member, click **Create Account** button and follow the steps to create one.- Membership is **FREE***).
2. Click the **Print a Book** button (*located at the top of the page under the logo*).

3. Click the **Upload PDF** button

4. Enter/select the following items: working title, blurb, category, and sub-category. *Under each item is an explanation.*
5. Click the **Step 2 >** button when completed.
6. Upload your book's PDF. *Make sure the PDF is set to the correct page size, instructions for creating a PDF out of Microsoft Word are provided above the uploader.*

7. Click the **Step 3** > button to start creating your book cover.
8. Enter/select the following items: retail price, ISBN, choose if you want to sell to anyone or not, and select which cover wizard you would like to use. *Under each item is an explanation.*
9. Click the **Next Step** > button to continue.
10. If you chose to sell your book to the general public the next step will ask you for an address that we can send your profit checks to. Click the **Next Step** > button to continue.
 - a. If you chose not to sell your book to the general public you will skip this step.
11. Enter/select the following items: book cover color, title, title font color, author's name, author's name font color, spine text, spine text font color, author's bio, author's bio font color, blurb, and blurb font color. *Depending on which cover wizard you selected some of these items may not be visible.*
12. Click the **Next Step** > button to continue.
13. Upload an image for the front cover and of the author. *Depending on which cover wizard you selected some of these items may not be visible.*
14. Click the **Next Step** > button to continue.
15. Preview your book cover.
 - a. If you would like to change/edit anything before saving it click on one of the three buttons below the cover.
 - b. If you are happy with the cover click the **Create Cover** button to save it and continue.

16. You will be directed to your books detail page in the book store where you can order your book. *Please note that if you chose not to sell your book to the general public no one else will see this page but you.*
