

# Get Shortened URLs

These instructions will show you how to get a shortened URL for your book. Members have been asking for shorter URLs than the ones they can copy from their browsers and this will provide the shorter URL they have been requesting. Use them anywhere you need (Facebook, Twitter, blogs, other web sites, etc.) and the user will be taken directly to your book in our bookstore.

1. Login to TheBookPatch.com by entering your email address and password and clicking the Log In button at the top right.

2. After you log in you will be redirected to your Book Dashboard page. Click on the **book details** button to access your book's detail page.

3. Scroll down to the Publishing Status > Publishing Complete section and click the label titled “Get a shortened URL for this book”.

The screenshot shows a dashboard with three main sections: 'Publishing Status' on the left, 'PUBLISHING COMPLETE' in the center, and 'PUBLISHING INCOMPLETE' on the right. The 'Publishing Complete' section is highlighted with a grey header and contains details for the book 'My First Book - Uploaded'. A red box highlights the 'Get a shortened URL for this book' link.
